

James Daniel King

After my association with Alisha Owens and Troy Boner had been established and their first video taped statements were completed, it was imperative that we locate Danny King since Alisha Owens and Troy Boner had both indicated Danny King's involvement with abuse and exploitation, independently of each other. I proceeded to the Omaha area with Troy Boner. Upon arriving in Omaha, myself and Troy approached the residence where Danny was living with an individual later identified by Danny as Shawn Deveny. This residence was located at 2703 Woolworth, Apartment #3, Omaha, NE. Troy entered the residence, and approximately two minutes later I also entered the residence.

It is extremely important to note that Danny King and Troy Boner were only alone for approximately these two minutes.

Danny told Troy at this time that he had been trying to reach Troy because he and Shawn Devany were being evicted from this apartment. Danny then retrieved the small amount of possessions he had and Troy, Danny, and I proceeded to Ralston, Nebraska, where Danny identified the residence of Bob Andreson, located at 7738 Main Street, Ralston, Nebraska. Parked in the driveway of this residence was a new-model Buick Skylark bearing license plate NE 1-B6515. Danny indicated that possibly two other individuals were also living at this residence. See Exhibit PH-2 for the photograph of this residence and an identification by Danny.

Danny also indicated that Bob Andreson had been "cruising" for young boys from the ages of twelve to 20 years of age. Further, Danny indicated that Bob Andreson keeps his pornographic photos in the basement of his residence.

I, Troy Boner, and Danny King then proceeded to Lincoln, Nebraska. During the drive to Lincon, Danny said that he had been threatened by Larry King as recently as 3 1/2 weeks ago. It should also be noted that during this time Troy would periodically tell Danny that, "Everything is going to be alright. No one will hurt you." He also told Danny that he could trust me.

At no time during this trip from Omaha to Lincoln did I ask Danny to relate his experiences, however, he told me that he had been on three trips involving Larry King; one to Kansas City, one to California (private flights), and that he had been on one commercial flight.

Danny sat in the front seat of my vehicle and Troy sat in the backseat. The only thing Troy said to Danny in addition to the above was, "Everything is going to be alright. No one is going to hurt us anymore and we are going to see justice done once and for all."

We arrived at my office and I then made arrangements for Danny to stay at The Residence Inn located in Lincoln, Nebraska, where I would also take his video taped statement.

I then contacted Franklin Legislative Committee legal counsel, Steve Berry, and informed him that I had another alleged victim. I further advised Mr. Berry that Danny appeared to be suffering from depression and that he would probably require counselling in the future.

I then told Troy that he should go back to his apartment for the evening. I specifically asked Troy if they had discussed in any manner this case and the allegations pertaining to this case, and he said that he had not. It was noted that Danny asked Troy, "Did you tell them everything?", and Troy said, "Yes, I told them everything."

The video taped interview with Danny King commenced at 9:32 AM on December 3, 1990, with myself and staff member, Karen J. Ormiston, present. The statement was taken in room #422 at The Residence Inn. Please note that myself, Ms. Ormiston, and Danny had breakfast at The Residence Inn prior to commencing the statement, and this case was not discussed at that time.

Danny appeared extremely nervous and frightened. Upon arriving in the room, Danny said that the stories told by Alisha Owens and Troy Boner were fabricated and that he wanted to leave. Danny did not want to talk to us and stated that the only reason Troy Boner gave us an interview was because he wanted to sue the perpetrators and make a lot of money, which Troy and Danny would then share. After I conversed with him regarding his possible fears of retribution from the perpetrators, Danny admitted that he was extremely afraid and that is why he said the statements by Troy were fabricated.

Danny then agreed to be interviewed on video tape. This video tape is marked Exhibit VID VI. Due to a throat condition of Danny's, this statement was also audio taped simultaneously with being video taped. These audio tapes are marked Exhibit D-2.

Prior to Danny giving me any information, he did sign a Waiver form which was notarized by Karen J. Ormiston. This is marked Exhibit D-3.

Danny was provided with calendars for the years of 1983 through the present. These are marked Exhibit D-4.

The pre-arranged questions posed by myself are marked Exhibit D-5. The pre-arranged questions that Ms. Ormiston had are marked Exhibit D-6.

We then commenced the video taped statement.

Danny stated that his address is 2703 Woolworth, #3, Omaha, Nebraska. He stated that his date of birth is 8/1/69 and his social security number is 508-82-0032.

He stated that he first met Alan Baer toward the end of 1983. This would have made Danny approximately 13 to 14 years old.

He stated that he met Alan Baer through Troy Boner.

The first meeting occurred in the Fall of 1983 when Troy and Danny went to Alan Baer's apartment and drank schnapps. They all three sat in the front room. He stated that Alan Baer was dressed in dress slacks and a striped shirt. Danny said that he, Troy, and Alan Baer were present the entire time of this first visit to Alan Baer's apartment in the Twin Towers. See Exhibit PH-2 for a photograph and identification of this location.

Danny said that he usually got very drunk at Alan Baer's apartment when they drank schnapps.

Discrepancy; Troy said that he left Danny and Alan Baer alone, and that a little later Danny came out with \$400.00.

Danny stated that no sexual contact occurred at this time.

Corroboration; Troy said that when Danny came downstairs from the Alan Baer's apartment that Danny said he only had to get a backrub from Alan Baer.

He then met again with Alan Baer approximately two weeks later at Alan Baer's apartment. Alan stated to Danny that "he was a fag and liked to suck boys' dicks." Alan and Danny drank schnapps and they participated in oral sex. This occurred at approximately 5:00 PM, after school hours. He received \$50.00 from Alan Baer for this sexual encounter.

He stated that he again met with Alan Baer one week later at Alan Baer's apartment. During this visit Alan Baer was showing "kiddie porn" movies. Alan and Danny watched the movies, drank schnapps, and participated in oral sex. Again, Danny received \$50.00 for this sexual encounter.

He again met with Alan Baer and again they drank schnapps and participated in oral sex. This occurred at Alan Baer's residence and Danny received \$50.00.

He goes on to relate that he met with Alan Baer for sexual encounters every week for approximately seven months. The same activities would occur as had occurred at their previous meetings.

Danny then told me that Alan Baer had introduced him to cocaine.

In January of 1984 he went to Alan Baer's apartment and in addition to drinking schnapps, this time Danny did approximately four lines of cocaine and Alan Baer did approximately four lines of cocaine. Homosexual movies were being shown and both participated in oral sex. He received \$50.00 for this sexual encounter.

Please note that Danny would sometimes take the bus to Alan Baer's residence, and also ride the bus back to Council Bluffs, Iowa.

Approximately seven months later, Danny was introduced to Gary (Lnuk), an adult male. Danny described him as heavyset, balding, and in his 40's or 50's. This occurred in February or March of 1984. Gary (Lnuk) propositioned him and then transported Danny to Friendship Park in Council Bluffs, Iowa, from Omaha, Nebraska. Gary and Danny participated in oral sex and Gary (Lnuk) then took him home. He received \$30.00 for this sexual encounter. See Exhibit PH-2 for a photograph and identification of this location.

Approximately two weeks later, Danny called Alan Baer. He took the bus to Baer's apartment and they drank schnapps and participated in oral sex. He received \$50.00 for this sexual encounter.

In April of 1984, Danny met Larry King at Alan Baer's residence. Cocaine was used by both Danny and Alan Baer. Larry King and Danny then went into the bedroom. Danny was lying on the bed and Larry King had anal sex with him. It hurt him so he made Larry King stop. Danny then performed oral sex on Larry King but he spit out Larry King's semen when he ejaculated. Larry King then hit him with a shoe on the side of his head because he did not swallow the semen. Danny received no money for this sexual encounter with Larry King.

Approximately one month later, Danny started meeting with Alan Baer again. Around this time there was a party at Alan Baer's residence. Present were Alan Baer, Gary (Lnuk), Danny, and other adults he did not know.

Danny was the only minor there. Alcohol was served. Alan Baer then took Danny home and had oral sex with him in Friendship Park in Council Bluffs, Iowa. Danny received \$75.00.

Danny is now seeing Alan Baer Baer on a regular basis at this point.

In the summer of 1984 he was introduced to an individual named Chuck (Lnuk). He described Chuck as a school counsellor maybe somewhere in Iowa, and in his 40's or 50's. He was introduced to Chuck by Alan Baer.

Also on this occasion, Gary (Lnuk), who he described as a credit advisor, took Danny to the Interstate Inn in Council Bluffs, Iowa, from Baer's apartment in Omaha, Nebraska, where they engaged in

oral sex. He received \$40.00 from Gary (Lnuk) for this sexual encounter. See Exhibit PH-2 for a photograph and identification of this location.

The next episode occurred in Alan Baer's apartment. Present in the apartment were Larry King, Alan Baer, and Danny. Danny got drunk and passed out, and when he awoke he was handcuffed to a chair. He was crying and wanted to go home. Larry King physically pushed him back into the chair. Alan Baer and Larry King then dressed him up in a woman's wig and makeup, etc. Larry King also hit him in the face with his penis and with his hand. Danny was degraded verbally and physically for approximately two hours, while Alan Baer and Larry King laughed.

The next episode occurred in July of 1984. Alan Baer drove to Council Bluffs, Iowa, and upon contacting Danny, apologized to him for the events which had occurred reference tying him to the chair and degrading him. Baer then gave him \$20.00 and told him to call him.

The next episode occurred toward the end of July in 1984 at Alan Baer's apartment. He and Alan both drank alcohol, used cocaine, and participated in oral sex. Danny received \$50.00 and 1/2 gram of cocaine for this sexual encounter. He stated that he and Troy Boner split the money and the cocaine that he had received.

Corroboration; Did Troy say they split the money and the cocaine?

In August of 1984 Danny is still meeting with Alan Baer. At this time he is also seeing Chuck at the Starlight Motel in Council Bluffs, Iowa. Chuck and Danny participated in oral sex. Again, Chuck is described as being a school counsellor. See Exhibit PH-2 for a photograph and identification of this location.

Danny then moved to Texas with his family for approximately four months. He started his junior year in Old River, Texas, at Barbara Hill High School. No homosexual encounters occurred while he resided in Texas.

Corroboration; Obtain these school records.

He then moved back to Council Bluffs, Iowa, where he resided at 16th and Avenue B.

After Christmas of 1984 he again started meeting with Alan Baer. This contact may have resumed in February or March of 1984. He is continuing to participate in oral sex with Alan Baer and receiving \$50.00 for these sexual encounters.

In June of 1985, Troy Boner and Danny were walking down the street in Council Bluffs at which time Bob Andreson picked them up and asked them if they wanted to get drunk. He then took Danny and

Troy to a 7-Eleven convenience store where Andreson purchased liquor. He then took Troy and Danny to his residence at 77th and Main where he had them read adult pornographic magazines in his basement. Andreson then grabbed both Danny and Troy between the legs. All three were dressed and drinking fuzzy navel, which is peach schnapps and orange juice. He stated that Troy got very drunk. Both Troy and Danny slept in Andreson's basement. During this time, Andreson attempted to have sex with Danny while he was in the shower, and Danny saw him performing oral sex on Troy the next morning as Troy woke up.

Andreson also wanted them to take nude pictures of them, but instead they took off their shirts and "flexed" their muscles for him. Photos were taken by Andreson at that time. See Exhibit PH-2 for a photograph and identification of this location.

Later on that day, Andrson took them to Westroads and offered to buy them clothes. Danny declined his offer, but Andreson did buy some clothes for Troy. Andreson also bought both Troy and Danny some food. They then went home.

At this time Danny started meeting with Alan Baer again and at some point during this time, Baer introduced him to "shooting up" cocaine, which is injecting cocaine directly into his bloodstream. Baer gave him a shot in the arm which made him very sick. Baer shot up cocaine also. Both then participated in oral sex, and Danny received \$50.00. This event occurred during a weekday. Alan Baer offered to give Danny some of the "liquid cocaine", however, he declined because he had gotten so sick.

Around this time, which is in 1985, he also had sexual encounters with Gary (Lnuk) and Chuck, individually. These sexual encounters would occur at the Starlight Motel in Council Bluffs, Iowa. They would participate in oral sex and Danny would receive anywhere from \$30.00 to \$50.00. Also, Alan Baer was giving cocaine to Chuck so that Chuck could give it to Danny. He also stated that he had sex with Chuck at the Delmar Hotel in Omaha, and that Chuck had taken him from Council Bluffs to Omaha for this purpose. See Exhibit PH-2 for a photograph and identification of this location.

He stated that in March of 1986 a party was held at the Woodman Building in Omaha. Many people were there, among them Larry King, Alan Baer, Chuck, Danny, and Troy Boner.

Discrepancy: Troy said this occurred on August 21, 1985.

At this party, Larry King, Alan Baer, Danny and Troy went to another office in this building where two adult males were engaged in sex on a desk in this office. Larry King then directed Troy to perform oral sex on Danny, which they did very briefly.

Corroboration: Troy says that this did occur.

In April or May of 1986 he did see Bob Wadman when he answered the door at Alisha Owens' apartment. Wadman identified himself as Bob, however, Danny didn't know who he was at the time. He stated that Wadman was driving a blue car with a spot light on it.

I then asked Danny about the plane trips he had told me he had taken. Following are the flights which were related to me:

He took a private flight to California. Present on this plane were Alisha Owens, Troy, Boner, Larry King, Danny, two pilot, and two young boys. He thinks they took off from Sky Harbor in Omaha, Nebraska. They arrived in Los Angeles at LAX and deplaned. He stated that Troy Boner, Larry King, and the two young boys went somewhere, and Danny and Alisha were picked up at this airport by an individual who Danny describes as being in his 40's, white, and fat. He stated that this individual took them to McDonald's to get something to eat, and they then started using cocaine.

Discrepancy: Danny said this flight was nonstop, however, Alisha and Troy both said that it was not nonstop.

This individual, Danny, and Alisha then arrived at a big white house in Los Angeles which Danny described as being in a residential area with bushes around it. A party was in progress at this house and many people were there, both male and female, from the ages of nine years old to approximately 50 years old.

He stated that Alisha Owens was wearing jeans and a button-down top. He also stated that he had oral sex with a male approximately 28 years old in a bedroom in this house, and that he received five grams (approximately \$500.00 worth) of cocaine.

He said that later on in the party Alisha was very upset and in an extreme disarray and wanted to go home. He also stated that Alisha passed out beside him on a couch. Larry King and Troy Boner then came back to the party and after several hours Larry King, Troy, Danny and Alisha left to fly back to Omaha.

Corroboration: Was Alisha wearing jeans with a button-down top?

His next trip was made on a commercial flight with Alisha Owens. This trip occurred in June of 1986. They flew on United Airlines out of Omaha. Alisha's airline ticket was in her own name, and his ticket was in Alisha's father's name.

Corroboration: Check the airline records for these names during this time, and the destination.

Please note that Alisha had purchased four tickets, however, only two of the tickets were used.

Discrepancy; Did Danny or Alisha say this?

He and Alisha stayed one day and then returned to Nebraska and stayed in a motel in Bellevue, Nebraska, because Alisha was going to be evicted from her apartment.

Corroboration; Does Alisha say this?

Also in 1986, possibly in December, he said that a trip was taken to Kansas City.

Corroboration: When does Alisha say this occurred?

Present on this flight, which was a commercial flight, possibly US Air or United Airlines, were Larry King, Alisha Owens, and Danny. Danny and Alisha were taken to a hotel with a waterfall by an individual described as a white, skinny male. They stayed in a suite at this hotel.

Corroboration; Alisha also says that they were taken to a hotel with a waterfall.

Larry King told both of them to stay in the room. A little later, three men came in and asked them if they wanted to make some money. They said they did, so two men went into a bedroom with Alisha and one man went with Danny.

Discrepancy; Alisha said that two men originally showed up and one was with Danny and one was with her. She stated that the third man came in after the other two men were already there and that Danny was then with two men, while she was still with one man.

After these sexual encounters, the men threw \$400.00 onto a table in the suite.

By this time Danny is approximately 20 years old. He stated that he last saw Alan Baer approximately six months prior to the date of this video taped statement, and that he received \$50.00 for participating in oral sex with him.

He said that he last saw Larry King at Baer's apartment and that Larry King shoved him up against his car and threatened him if he "said anything about anything." This also occurred approximately six months prior to this video taped statement.

He stated that Bob Andreson has a kiddie porn collection.

He also mentioned the individual identified as Larry (Lnuk) as being Larry King's "righthand man."

He stated that he used LSD and marijuana approximately three days prior to this video taped statement.

When asked about other kids involved in these activities, he stated that Lionel White Magpie, an Indian youth, was involved. He said that Lionel is now approximately age 20 or 21, and lives in Omaha. He also stated that an individual named Brian Stuva (sp) was also involved, and that his former roommate, Shawn Deveny, was involved.

Toward the end of this video taped statement, Danny was shown several photographs. These are marked Exhibit D-7. Out of the photographs that he was shown, he positively identified Alisha and Deward Finch, who he indicated was the individual identified as Chuck who he had sexual encounters with on numerous occasions.

\*\*\*Please note that Danny's video taped statement contains many more details that are crucial to his to his credibility. Also, he does get confused about what year events occurred in, and when asked what month comes after December, he said he thought that November did.

It is also apparent that there are discrepancies between his statement and Troy Boner's statement, however, I do believe that Danny was heavily involved with drugs during this time and this is why he is not quite sure as to certain details.

Also note that Danny was "doodling" during the video taped statement, and I would like to submit to you Exhibit D-8.

Following this taped interview at 1530 I then made arrangements to move Danny. I transported him to Troy Boner's residence at that time and unloaded his personal possessions. Please note that the only possessions Danny had were a small paper sack of clothes, one small vinyl suitcase, a set of barbells, and a guitar.

At this time, Danny also told this writer that he was relieved to have related these events to me and that he was anxious to continue. He also told me that this was the first time he had ever told anyone about the events that had happened to him.

On December 4th and 5th, 1989, I and a Caracorp, Inc., staff member took Danny to the Omaha, Nebraska, and Council Bluffs, Iowa, areas in order to identify and photograph the various sites where the incidents had occurred. See Exhibit D-9 for the investigative report covering the activities of these two days. Please note that although a photograph was not taken of the Woodmen Building, that he pointed out this building to me. Also see Exhibit PH-2 for the photographs which are also identified. Attached to the photographs is a document in Danny's handwriting indicating the site and activity. Danny identified the photographs on December 6, 1990.

Danny was again video taped on December 5, 1989, regarding the sites he had identified and the information he had provided. He

signed another Waiver at that time which is marked Exhibit D-10. The video tape is marked Exhibit VID VII. Danny was videod on this occasion as a precaution and to ensure that he had made correct statements to me.

He was again video taped on December 22, 1989, in order to correct minor discrepancies in his December 3, 1989, statement. See Exhibit VID III for this video taped statement, and Exhibit D-13 for the Waiver.

Please note that I was extremely concerned for this individual also. I therefore submitted a letter to the committee legal counsel reference Danny's, and the other witness/victims' physical and emotional needs, after receiving a response from Senator Schmit that they State of Nebraska could not provide protection. See Exhibit D-14 for a copy of this letter. See Exhibit D-15 for Senator Schmit's reponse to my initial request.

Also see Exhibit D-8 for Danny's handwritten notes reference allegations and statements he made.
